Myostatin Status Report

Submitted by: _____

Farm/Ranch Name: _____

Address: _____

City: _____ St: ___ Zip: _____

I (We) have tested the following animals for the myostatin mutation and voluntarily submit the following results to the American Murray Grey Association. I (We) understand that these reults will be maintained in the records of the Association, and will be made public, and hereby give my (our) consent for their publication.
(Please include a copy of the test reports for our records)

Animal Name	Reg No	Sex	Myostatin Status

The American Murray Grey Association is providing this listing as a service to Murray Grey breeders only. AMGA makes no statement of as to possible utility or potential drawbacks to using myostatin carriers. It is each breeder's responsibility to educate themselves about this mutatin and its effect on cattle. Contact AMGA for more information.

Effective: March 1, 2023
